PATT8Y **DOCKETED** TPM
Appeal Brief due 3/27/98
LD 7/27/98

This is a decision on the petition under 37 CFR 1.137(b), filed December 18, 1997, to revive the above-identified application.

The petition is **GRANTED**.

This application is abandoned by operation of law for failure to timely reply to the final Office action mailed June 16, 1997, which set a three month shortened statutory period for filing a reply. No timely extensions of time having been obtained pursuant to the provisions of 37 CFR 1.136(a), the date of abandonment of this application is September 17, 1997. No Notice of Abandonment has been mailed in this case.

THE 2-MONTH PERIOD FOR FILING THE APPEAL BRIEF, IN TRIPPLICATE, ACCOMPANIED BY THE FEE REQUIRED BY LAW, RUNS FROM THE DATE OF THIS DECISION.

The Terminal Disclaimer filed on December 18, 1997 has been accepted. The period disclaimed is four (4) months, which is equivalent to the period of abandonment.

Any continuing application filed from this application must contain a copy of this decision and a copy of the Terminal Disclaimer. The copies must be filed with a cover letter requesting the terminal disclaimer be recorded on the continuing application.

Extensions of time under 37 CFR 1.136 are available only if asked for "prior to or with the response." In no case, however, may an applicant respond later than the maximum time period set by statute. Accordingly, if the question of abandonment arises when the provisions of 37 CFR 1.136 can no longer be used, then the application is abandoned when the unextended time for response expired. Therefore, no extension fees are due on a petition for revival. In view thereof, the request for extension of time submitted with the petition is unnecessary. Accordingly, no extension of time fee has been assessed to petitioner's deposit account.

The file is being forwarded to Group 1800.

Telephone inquiries concerning this matter may be directed to the undersigned at (703) 305-8680.
